

Gen Z Meet the 90's: Trailor

Episode date: 12/05/20

Chris: Hi, I'm Chris.

Lydia: I'm Lydia.

Chris: And very soon this will be Gen Z, meet the 90's.

Lydia: Chris, what generation are you?

Chris: I'm going to say, probably Gen Z, depending on what list you look at.

Lydia: I'm a millennial.

Chris: Elder millennial?

Lydia: Ehh let's not ask a woman her age, it's rude.

Chris: Okay.

Lydia: So I'm a millennial. I grew up in the 90s. 90s films were everything to me in my childhood. Chris knows nothing! So Chris is what we'd call, a pop-culture skimmer. Like when my brother read the Harry Potter books: skim through, pick up the gist and then ruin the books for us without actually ever reading them. So Chris knows all of the references, none of the context. So every week I'm going to pick a film, I'm going to make Chris sit down, we're going to get some munchies, maybe we'll get wine some weeks.

Chris: I feel that might help the situation if we've got some wine.

Lydia: We'll sit you down Chris. I will show you some integral culture that you need to learn and then we'll just have a chat about it.

Chris: I'm both excited and a little bit nervous but I'm really looking forward to it! Hit subscribe if you want us in your feed every single week and don't forget to follow us on Twitter and Instagram, we'll be @GenZMeetThe90s
